Zindagi ke har rang Agami ke sang

Thriving Boisar A new Mumbai in the making.

Just an hour away from Mumbai, Boisar is well connected by road and rail. The good news is that there is a slew of infrastructure projects in the pipeline, such as quadrupling of the Virar - Dahanu railway line, Mumbai - Ahmedabad Bullet Train (reducing the travel time to Boisar to just 35 minutes), and Mumbai - Vadodra - Delhi Expressway. These projects will boost connectivity and contribute immensely to Boisar's prosperity.

Boisar is poised to be one of the premier residential destinations.

Transforming Boisar Future Infrastructure Projects

Mumbai - Ahmedabad Bullet Train

The Mumbai - Ahmedabad Bullet Train is set to revolutionize the region's transportation. Boisar, one of the four bullet train stations in Maharashtra, will witness a remarkable reduction in travel time from Mumbai, with the journey from BKC to Boisar taking a mere 35 minutes.

Mumbai - Vadodra - Delhi Expressway

The Mumbai - Vadodra - Delhi Expressway is poised to bring a significant enhancement to the Mumbai-Boisar road connectivity, opening up new avenues for seamless travel.

3 Virar - Dahanu Suburban Rail Network

The Quadrupling of the Virar - Dahanu suburban rail network is a game-changer for the region's rail connectivity. With the development of eight additional stations between Virar and Dahanu, this expansion promises to greatly boost connectivity in the Boisar-Palghar zone.

4 Vadhvan Port

The upcoming Vadhvan Port near Dahanu is destined to become India's third-largest port, heralding a major upswing in industrial and logistical growth within the region.

Mumbai - Virar Coastal Road

The extension of the Mumbai - Virar coastal road all the way to Palghar is a significant expansion, offering an enhanced and more comprehensive road network for the area.

Delhi - Mumbai Freight Corridor (DFC)

The Delhi - Mumbai Freight Corridor (DFC) is an ongoing project in India, dedicated to creating a specialized rail corridor for freight transportation, linking Dadri in Uttar Pradesh, located near Delhi, with the Jawaharlal Nehru Port in Navi Mumbai, Maharashtra. As a crucial component of the Mumbai-Delhi freight corridor, the Boisar Railway station plays a significant role in this extensive initiative.

Agami Infinity Park, a secure gated community spread across 23 acres, offers thoughtfully crafted 2 & 3 BHK homes. Situated directly across from Boisar Railway Station and just a stone's throw away from the bustling industrial hub, the location provides unparalleled connectivity. What truly sets Agami Infinity Park is the 20+ lifestyle amenities that cater to every family member. Why dream now, when you can live your dream
